

Potomac Valley Fly Fishers

YOUTH LEARN TO FLY FISH COURSE

**Saturday, May 11, 2013
9AM-2PM**

Potomac Valley Fly Fishers in cooperation with the Frederick County Parks and Recreation will be offering a free one day youth learn to fly fish course at Catoctin Creek Park in Middletown MD on Saturday May 11, 2013. This class will be taught by experienced fly fishing instructors. The course will cover all the basic skills needed to be successful on the water and enjoy the sport of fly fishing.

Who may attend?

Ages 9 thru 16. Class is limited to 12 students.

What activities will this training include?

Students will receive instructions in basic equipment, entomology, casting and on-stream fishing techniques. Students will also have the opportunity to fly fish with experienced fly fishing instructors on Catoctin Creek.

What is the cost?

This is a free program. However, we ask that participants pack a lunch and bring a refillable water bottle.

Do I need a fishing license to participate in this program?

Anyone under the age of 16 does not need a license. Adults assisting youngsters on the stream must possess a valid Maryland Inland Fishing License and a Trout stamp. Catoctin Creek is stocked with trout and is "Catch and Release" at the time of this class.

How can I register for this program?

To register or for more information on this event please call John Brognard at 301-371-4205 or e-mail him at:
jb@FlyFishWebDesign.com.
